The policy is formulated in accordance with the Regulation 30 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (“Listing Regulations”) laid down by SEBI.

The Board of Directors (the “Board”) of DMCC Speciality Chemicals Limited (Formerly known as The Dharamsi Morarji Chemical Company Limited (the “Company”) has adopted this Policy and procedures thereto with regard to Materiality of Events/Information to be disclosed to Stock Exchange(s) where Company’s securities are listed.

2. Requirement

Regulation 30 of the Listing Regulations requires the listed companies to frame a Policy on determining the materiality of Events, duly approved by its Board of Directors. The Board of Directors of “DMCC Speciality Chemicals Limited” (Formerly known as "The Dharamsi Morarji Chemical Company Limited") ('the Company') has accordingly approved this Policy.

3. Objective

The Listing Regulations deals with disclosure of material events by the listed entity and has provided the events that need to be disclosed broadly in two categories.

- The events that have to be necessarily disclosed without applying any test of materiality are indicated in Para A of Part A of Schedule III of the Listing Regulations; and
- Para B of Part A of Schedule III indicates the events that should be disclosed by the entity, if considered material.

The objective of the Policy is to identify the events which fall under the Listing Regulations and make appropriate and timely disclosures to the Stock Exchange wherein the shares of the Company are listed so as to enable the shareholders to take informed decisions.

4. Definitions

- a) “Act” means the Securities and Exchange Board of India Act, 1992 (15 of 1992);
- b) “Specified Securities” means equity shares and other securities listed with the Stock Exchange(s).
- c) “Key Managerial Personnel” or “KMP” means –
 - (i) MD & CEO;
 - (ii) Executive Director / Whole-time director;
 - (iii) Company Secretary;
 - (iv) Board Secretary;
 - (v) Chief Financial Officer;
 - (vi) Chief Compliance Officer; and
 - (vii) Such other officer/s as may be prescribed;

5. Principles of Disclosure of Material Events or Information

The Company Shall:

- a) Refrain from misrepresentation and ensure that the information provided to recognised stock exchange(s) and investors is not misleading.
- b) Provide adequate and timely information to recognised stock exchange(s) and investors.
- c) Ensure that disseminations made under provisions of these regulations and circulars made

thereunder, are adequate, accurate, explicit, timely and presented in a simple language.

- d) Ensure that channels for disseminating information shall provide for equal, timely and cost efficient access to relevant information by investors.
- e) Abide by all the provisions of the applicable laws including the securities laws and also such other guidelines as may be issued from time to time by the Board and the recognised stock exchange(s) in this regard and as may be applicable.
- f) Make the specified disclosures and follow its obligations in letter and spirit taking into consideration the interest of all stakeholders.
- g) Ensure that Filings, reports, statements, documents and information which are event based or are filed periodically shall contain relevant information.
- h) Ensure that Periodic filings, reports, statements, documents and information reports shall contain information that shall enable investors to track the performance of a listed entity over regular intervals of time and shall provide sufficient information to enable investors to assess the current status of a listed entity.
- i) Ensure that Price Sensitive Information shall be handled on a ‘need to know’ basis. Such information should be disclosed only to those within the Company who need the information to discharge their duty and whose possession of such information will not give rise to a conflict of interest or appearance of misuse of the information.
- j) Events or information shall be disclosed on the basis of their materiality. Any event or information is said to be material if the significance of an omission or misstatement of information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would have been changed or influenced by the omission or misstatement.

6. Categories of Disclosure of Events/Information as per Regulation 30 of the Listing Regulations

- a) The Events/Information that are required to be disclosed by the Company may be divided in the following categories:
 - i. Events to be disclosed without application of the guidelines for determining materiality, as specified in Para A of Part A Schedule III of the Listing Regulations. The same have been enclosed as **Appendix - I**.
 - ii. Tentative list of events to be disclosed upon application of the guidelines for determining materiality, as specified in Para B of Part A of Schedule III of the Listing Regulations. The same have been enclosed as **Appendix - II**.

7. Criteria for determination of materiality of events/ information:

- a) The omission of an event or information, which is likely to result in discontinuity or alteration of event or information already available publicly; or
- b) the omission of an event or information is likely to result in significant market reaction if the said omission came to light at a later date; [or]
- c) the omission of an event or information, whose value or the expected impact in terms of value, exceeds the lower of the following:
 - (1) 2% of turnover, as per the last audited consolidated financial statements of the listed entity;
 - (2) 2% of net worth, as per the last audited consolidated financial statements of the listed entity, except in case the arithmetic value of the net worth is negative;
 - (3) 5% of the average of absolute value of profit or loss after tax, as per the last three audited consolidated financial statements of the listed entity;]

In respect to the criteria (c) above, it is clarified that the average of absolute value

of profit or loss is required to be considered by disregarding the ‘sign’ (positive or negative) that denotes such value as the said value / figure is required only for determining the threshold for ‘materiality’ of the event and not for any commercial consideration. Example is given as under:

<i>(Amount in Rs. crore)</i>	Profit/loss after tax	Absolute value of profit/loss after tax	Average of absolute value of profit/loss after tax for the 3 years
FY 2020-21	(20)	20	(20+50+20) / 3 = 30
FY 2021-22	50	50	
FY 2022-23	(20)	20	

The quantitative criteria shall be restated at every year and shall be updated under **Appendix III** from time to time.

- d) In case where the criteria specified in sub-clauses (a), (b) and (c) is not applicable, an event or information may be treated as being material if in the opinion of the board of directors of the listed entity, the event or information is considered material.

- and
- in other instances, where there is no such discussion, negotiation or approval required viz. in case of natural calamities, disruptions etc., the answer to the above question would depend upon the timing when the listed entity became aware of the
