THE DHARAMSI MORARJI CHEMICAL CO. LTD

SECURITY GUARD POLICY

We ensure the security of our employees, stakeholders and manufacturing installations by deploying eminent security service. We take the services of an authorized security agency having competent guards. The entire premises is surrounded by barbed compound of 12-15 feet to avoid infiltration.

The following security systems/measures are in place during entry & exit from the factory premises:

- Traceability through contact details - Biometric
- Gate pass - Frisking
- Inspection with Metal detectors - Head count
- CCTV network - Turnstile Barrier gates

Training is imparted to security guards to keep their knowledge and skills updated as per the changing circumstances regarding security. Our security personnel always ensure that the premises and property are protected in an appropriate and effective manner against a variety of natural and man-made threats and thefts. Our security provides leadership and direction in emergencies & at the time of crisis.
